Early Frost Is Feared

Wet, Cool Weather Delays Harvest Operations

A light rain throughout the county Sunday night and Monday averaged about one-quarter inch precipitation and was followed by cool, cloudy weather, forcing swathing operations to a halt.

A return to warmer weather will see swathing fairly general throughout the county.

Temperatures dropped into the 40's Monday and Tuesday — unseasonably low — and it was feared that clearing skies might bring an early frost. With favorable weather, it is anticipated that an average crop will be harvested, estimates of spring wheat yields on summerfallow being 20 to 25 bushels per acre.

Storage space is still very much at a premium and there is a good demand for granary building materials.

Regular Meeting Cottonwood Club

The Cottonwood Good Deeds Club met at the home of Louis Gings for their regular meeting with twenty members and one visitor present. During the regular business meeting it was decided to continue meetings in the evening. A ten dollar donation was voted to the Canadian Red Cross.

After adjourning the meeting, Mrs. Elsie Murphy presented Alvis Hunt with a lovely table lamp, a farwell gift from the club as Mrs. Hunt has left to make her home in Lethbridge, the best wishes of the club go with her.

A friendly game of Yatze followed and a delicious lunch served by Louis and helpers Mary McNiven and Gerorgette Gings brought the evening to a close.

The combined July-August meeting was held in Lethbridge when fifteen members of the club motored to the home of Alvis Hunt for an enjoyable "day off" for the ladies. Travelling in three cars driven by Vicki McNiven, Vannie Watson and Maxine Bates, the members left at nine o'clock and spent the morning shopping after which the members were served a delicious dinner at Alvis Hunt's, assisted by her mother Mrs. Millidge.

The regular business meeting followed during which the club decided to purchase seven new hymnaries. The club also donated twenty dollars to the Herrington 4-H Girls' Club. A motion was made and carried that a travelling basket be started at a price of \$1.50 being set for whatever the basket contained; Marcella Steiner to start this. A weiner-roast was discussed and arranged for. This to be held on Aug. 18, at the farm home of Maxine and Frank Bates, the families to meet at 6.00 for races and a ball game.

After the meeting the ladies toured the city and Gurney's Museum in Galt Gardens. Returning to Mrs. Hunt's the ladies were served lunch and after taking pictures returned home, arriving about nine o'clock. A special hearty thanks to Alvis and her mother, Mrs. Millidge, for everything that went to make the day such an enjoyable event.

The ladies of the Cottonwood Good Deeds Club entertained their husbands and families at a weiner-

roast at the farm home of Frank and Maxine Bates on Sunday evening, Aug. 18, with about fifty present. After a ball game with all ages from 6 to 60 joining in a weiner and marshmallow roast was enjoyed. Due to a severe electrical and rain storm the party broke up about 8:30, but we hope that this event can be made a yearly occurrence without the rain and fireworks next year.

WSW Society Reports Progress

The regular meeting of the W.S.W.S. was held Aug. 21, at the home of Mrs. John Schierman.

Mrs. J. Schierman was in charge of the devotional period and presented a program entitled, "A Look at Ourselves." Several hymns were sung and a reading on prayer was given after which Mrs. E. Hartung and Mrs. Wildeman led in prayer. The offering was lifted and Psalm 68 was read.

Mrs. Schierman gave a talk on "Women's Work in the Church," referring to Bible women and the part they played in the work of the early church.

Memories of the beginning of the local society were recalled and the minutes of the first meeting in Oct. 1949 were read. The society started with seven members and now has 19 members.

The different secretaries gave reports on the work showing the progress that has been made over the years. Mrs. Eric Deimert gave a study on two more chapters of the book "Christian Faith Encounters Communism."

United Church Minister Honored At Farewell Supper

Over 150 persons of Vulcan and district gathered with the congregation of the United Church to say farewell to Rev. and Mrs. J. S. Clarke and their family who will be leaving Vulcan shortly to take up residence at Nampa, Alta.

The farewell was in the form of a pot luck supper following which the chairman for the evening, D. H. Galbraith, opened the social by calling for a sing song with Mrs. W. W. Almond supplying the piano accompaniment.

Father Connolly then voiced his regrets at the departure of the Clarks and referred to Mr. Clarke as having been very successful in his charge and pointing out his many accomplishments since coming to Vulcan.

Harold Hansen made a presentation of a set of dishes to Mr. and Mrs. Clarke on behalf of the Couples Club of the church. Evan Beechman from Milo congregation spoke highly of the help Mr. Clarke had rendered to their church and concluded his few words with a tribute to Mr. Clarke entitled "My Friend."

On behalf of the Senior Choir, Arthur Jones presented the honored guests with a floor lamp for the living room of their new home. Appreciation of this gift was also expressed by the Clarks.

The student minister for Milo, Wells Robinson, voiced his thanks for all the help he had received since coming to this district and wished the Clarks well in their new home. Rev. R. Johnson of St. Aldhelm's Anglican Church also spoke of the pleasant relations he had experienced with his associations with the Clarks since coming to Vulcan.

Following another short interval of singing the chairman called on the honored guests to receive a further presentation in the form of a purse of money from their many friends in the community following which Mrs. C. MacMillan presented Mrs. Clarke with flowers.

Both Mr. and Mrs. Clarke expressed their thanks for the many tributes and gifts as well as their close friendships which had developed over the period of their ministry here.

Former Vulcan Girl Married

FRIESEN — MCCARTNEY

A wedding of local interest was solemnized on Aug. 17, in the Anglican Church at Dawson Creek, B.C., when Miss Sadie E. McCartney became the bride of Oskar Friesen.

For her wedding the bride chose an afternoon dress of royal blue tulle, with beige accessories and a corsage of pink rosebuds. Her matron of honor, Mrs. Angus Carmichael chose a navy blue afternoon dress with beige accessories and a corsage of red rosebuds.

At the reception which followed, at the home of Mr. and Mrs. Angus Carmichael, the bride couple were assisted in receiving the guests by R. H. McCartney of Calgary and Mrs. Gordon Clayton of Vulcan, father and sister of the bride.

Following a honeymoon spent at the west coast and in the Okanagan Valley, Mr. and Mrs. Friesen will reside in Dawson Creek, where the groom is employed in the geological department of the Imperial Oil Co.

Drivers with the "Hurry Complex" save little or no time and imperil themselves and the rest of the traffic, claims the Canadian Highway Safety Conference.

ROCK SULPHUR PILE produced from natural gas was point of interest for British American Oil directors when they visited the Company's Pincher Creek, Alta.,

plant recently. Inspection of plant's several units followed regular quarterly board meeting, first to be held in Calgary.

They've Discovered Canada

There may be more awareness of Canada in the U.S. capital today than at any time in this century, reports the Washington Correspondent of The Financial Post.

The reason is the new Conservative government in Ottawa. What the Diefenbaker government will or will not do has almost become a regular topic on Washington's cocktail party circuit.

The state department and department of agriculture are the most concerned with Canada, and there is what has been described by Canadian officials here as "an uneasy concern" shown by officials in these departments.

Nothing is said or noted in public of course, but a certain nervousness is evident in private conversations.

And on Capital Hill the senators and representatives are even beginning to realize that there is more north of the border than just snow, "mounties" and Lester Pearson.

More Than Fish To Fishing

A lot of people, particularly ladies, have erroneous ideas concerning men's leisure-time activities, and it is suspected that this editorial isn't going to change the situation. But fishing is an apt illustration of what is being referred to. A woman judges fishing by what's brought home in the creel. She doesn't understand that it's more than that.

The fact that to go fishing will require \$50 worth of special equipment and may result in a dollar's worth of fish is beside the point. That is merely a burden that he is prepared to shoulder.

Like the Ottawa Journal so aptly puts it, fishing isn't just catching fish.

Fishing is getting out of doors so that a man can feel the sun and the wind and the rain on his face. It is getting off by oneself on the edge of a meadow creek; it is following a clear-water singing brook through a quiet woodland; it is sitting in a boat on a peaceful tree-circled pond.

Fishing is the chance to get away from the pressures of office and factory; it is a time to watch the sky and clouds, the red-winged blackbirds and a woodchuck poking in the clover patch. In beehives of population one forgets the sound of a singing stream, the serenity and faith-restoring steadfastness of friendly trees, the green of new grass, the blue of violets' faces along the brook edge, and the challenge of a cock pheasant's crow from woodland edge.

Fishing gives a man a chance to get caught up with himself, and when he comes home, a bit tired physically but refueled in heart and mind, he knows that a day's fishing has done something for him.

—Swift Current Sun.

Harkness Should Make A Good Minister Of Agriculture

The people of Western Canada should feel fairly safe by the appointment of Doug. Harkness of Calgary as Federal Minister of Agriculture. Harkness has a reputation for looking after responsibilities assigned to him and it is no secret that Canada's greatest agricultural problems arise in the West. It would have been tragic to Western Canada had some easterner with the biased mind one so often encounters in otherwise very competent men been assigned the cabinet position on which so much of Canada's prosperity depends. We have heard them talk and we have seen their writings, we have tried to reason with them when we met them, but they are as adamant as super-concrete. They like the export dollars when Canada's wheat is flowing smoothly, but they do not want any part of the difficult times. Very few of the men in high political office in Ottawa, regardless of party affiliation, realize that the Western Canada wheat grower subsidized the British and the Allied cause in general during World War II. It was not the Canadian people as a whole, it was the wheat grower by himself. Thus it is, we carry the torch for the Western farmer whenever we are confronted by the ravings of some economic expert, so called, who would dump our wheat and let the producer rot in poverty. Wheat has an intrinsic food value. Britain, Germany, France and Italy all established minimum prices for their own wheat. Why let them buy ours at twenty-five cents on the dollar or less? Canada's wheat surplus is taking quite a jolt by this year's sub-normal crop. Let us hear no more bellyaching about a product that does not deteriorate to any great extent by holding it in storage. Joseph did a very fine job in Egypt, so the Bible tells us, and we recall the day when Canada's export bins were all but empty . . . and not too many years ago. We look to Mr. Harkness to protect the Western wheat situation. He will run into lots of opposition within his own party, but he is a Westerner and should never let go.

The bride-elect was seated before a beautiful rainbow with a pot of gold at the end which contained the many lovely gifts. A program followed with Mrs. Raëlle Ellis as master of ceremonies for the evening. A parody of the song, "Over the Rainbow" with words to suit the occasion, which brought many a chuckle, was sung by six of our young girls: Sylvia and Lindsay Matlock, Nancy Wolfe, Judy Jones and Sandra and Penny Bloxham. Three contests followed and in each one the bride-elect had to partake to see if she was prepared to take on the responsibility of marriage. At least we know she can peel potatoes as she tied with her mother in winning this one.

The second one of separating egg yolk from the white was won by Mrs. Edith Warren. The third contest was seeing who could put a napkin on a baby doll the quickest and the neatest. Mrs. Madge Anderson took the honors in this event.

BANKERS ADVISE

ADVERTISING

Merchants who do not advertise are invited to read the following from the American Bankers Magazine, as it might give them a new slant on business, your own business, as well as the matter of building up your town.

"No business man in any town should allow a newspaper published in his town to go without his name and business being mentioned somewhere in its columns. This does not mean you should have a whole, half or even a quarter page ad in each issue of the paper, but your name and business should be mentioned, if you do not use more than a 2-line space. A stranger picking up a newspaper should be able to tell what business is represented in a town by looking at the paper. This is the best possible town advertiser. The man who does not advertise his business does an injustice to himself and the town. The man who insists on sharing the business that comes to town, but refuses to advertise his own is not a valuable addition to any town. The life of a town depends on the live, wide-awake and liberal advertising business men."

Former Resident Honored
The basement of the Church of
the Brethren was decorated with
many lovely bouquets of summer
flowers on Wednesday afternoon,
when a tea was held there, honor-
ing Mrs. Frank E. Pobst, a resident
here 36 years ago and now resid-
ing in New Westminster.

Seats were arranged in a large
circle and to start the afternoon
entertainment, each guest intro-
duced the person she was seated
next to and gave an interesting
comment about her life. Following
this, Rose Norton gave a vocal
solo, "My Best to You" and Mrs.
Nellie Williams also sang a selec-
tion, "We Shall Shine as the
Stars." Miss Judy Pobst, a grand-
daughter of the guest of honor,
and also visiting here from the
coast, sang "Now I Belong to
Jesus". Rose Norton and Mrs. Wil-
liams then sang a duet. Mrs. Grace
Williams accompanied the vocal
numbers on the piano.

Mrs. Pobst was presented with a
guest book from the Ladies' Aid
Society, which she passed around
and had all the guests sign. The
many old-timers from this district
were seated at a table which was
decorated with a three-tiered cake
made by Mrs. Dayon Williams and
a lovely lunch was served.

Also attending the tea, were a
number of former residents here,
including Mrs. Hazel Schultz of
Guthrie, Oklahoma; Mrs. Laura
Detter of California; Mrs. Ralph
Wipple, Mrs. Raymond Brubaker,

ing such a nice tea in her honor
and extending an invitation for all
to visit her after she returns to
her home. She has been visiting
here with her son and family, Mr.
and Mrs. Arnold Pobst.

BURGER — COPITHORNE
The marriage of Miss Sheila Mae
Copithorne, Reg. N., and Frank
Edmund Burger, Jr., linked two
well-known Alberta families dur-
ing a two-light ceremony held re-
cently in Knox United Church with
Rev. W. B. McDaniels of Arrow-
wood officiating.

The bride is the daughter of Mr.
and Mrs. Percy Copithorne of
Jumping Pound and the groom,
the son of Mr. and Mrs. Frank E.
Burger of Arrowwood.

The altar, to which the bride
was escorted by her father, who
gave her in marriage, was bank-

ed with baskets of white gladioli,
pink roses and fern, flanked by
white cathedral tapers set in
seven-branch wrought iron stand-
ards.

The bride wore a gown of
white silk peau de sole featuring
a Sabrina neckline and long petal-
point sleeves. The full skirt was
scattered with appliques of Alen-
con lace motifs and drawn back
into a crushed bustle. Her veil of
illusion net cascaded from a cor-
onet headdress and she carried a
white prayer book topped by a
floral arrangement of roses from
which fell white satin streamers
knotted with red rose buds. The
bride's only jewelry was a set of
pearl earrings, gift of the groom.

Miss Margaret Copithorne, sister
of the bride, was maid of honor,
and Miss Anne Copithorne, cousin,
Miss Barbara Poffenroth, Reg. N.,
Miss Katherine Cosovan, Reg. N.,
were bridesmaids and Patricia
Copithorne, cousin of the bride,
was flower girl. The senior quartet
wore identical gowns of blue
taffeta, cocktail length, styled with
a gathered chiffon neckline.

They wore matching picture
hats and carried nosegays of
daisies in pastel shades. The flower
girl wore a floor-length frock of
pink nylon with an overskirt in
white, delicately embroidered. Her
nosegay was composed of pink and
white daisies.

Marshall Copithorne, the bride's
brother, was best man and the
guests were ushered by Gordon
Ingraham, Norman Jacobson, Alan
Ingraham and Samuel Burger,
brother of the groom.

Miss Donna Des Jardines, ac-
companied at the organ by Mrs.
N. F. Weber, was the soloist.

The Fiesta room in the Beacon
Hotel was the setting for the re-
ception and was decorated with
baskets of mixed flowers and white
tapers set in nests of flowers.

The bride's uncle, Clarence Copi-
thorne, proposed the toast.
Following a honeymoon to the
west coast, Mr. and Mrs. Burger
will take up residence on the
groom's farm at Arrowwood.

For travelling the bride wore a
smoke blue chiffon dress with
matching hat, gloves and shoes.
Her ensemble was topped by a
beige coat and she carried a match-
ing purse. Her corsage was of pink
roses.

Clarke officiated at a christening ceremony, at the home of Mr. and Mrs. Gordon Clayton on Sunday, when the two small children of Mr. and Mrs. Robert Clayton received the names Gordon John and Mary Ann Margaret. E. H. Herman of Milo and Mrs. J. Eamor of Vulcan acted as godparents to Gordon John, and Mr. and Mrs. Bill Shields of Milo are godparents of Mary Ann Margaret. An interesting note at the ceremony was that little Mary Ann Margaret was christened in the same gown as had been worn by her grandmother and her father at their christening ceremonies. The gown was made in Ireland by the baby's great-grandmother from panels taken from her wedding gown, and has now been worn by three generations of the Clayton family.
